- 2014-2015 Post-doctoral Researcher, School of Psychological Sciences, Tel Aviv University. Examining socio-cognitive factors of health behaviors with Professor Shoshana Shiloh
- 2010-2014 Ph.D., School of Psychological Sciences, Tel Aviv University. Developing a health behavior taxonomy. Adviser: Professor Shoshana Shiloh
- 2007-2008 Research on Conflict Resolution, School of Psychological Sciences, Tel Aviv University. Adviser: Professor Arie Nadler
- 2004-2006 M.A., Social Psychology, Summa cum laude, Tel Aviv University
- 2000-2003 B.Sc., Computer Science and Psychology, Magna cum laude, Tel Aviv University

Advanced Training

- 2019 Preventing dementia, Wicking Dementia Research & Education Centre, University of Tasmania
- 2016 Creating Publication Quality Graphics using R, Marburg University Research Academy
- 2015 R programming, Johns Hopkins University through Coursera
- 2015 The data scientist's toolbox, Johns Hopkins University through Coursera
- 2014 Leveraging mobile technology and social media in behavioral research, CREATE Workshop, European Health Psychology Society
- 2013 Social Networks Analysis, University of Michigan through Coursera
- 2013 Intensive Longitudinal Data Analysis, CREATE workshop, European Health Psychology Society
- 2011 Introduction to Meta-Analysis, the Institute for Statistics Education at Statistics.com
- 2011 Structural Equation Modeling, IDC advanced workshops
- 2011 Dyadic Analysis (APIM), IDC advanced workshops

Academic Grants, Awards and Distinctions

- 2020 Grant from the Israel Ministry of Science and Technology, for the project: “The effect of personality characteristics, perceived threat, and coping style on engagement in behaviors to reduce coronavirus transmission”
- 2020 Grant from the International Society for Justice Research, for the project: “The effect of Just-world beliefs on COVID-19 risk perceptions and well-being”.
- 2019 Internal Research Grant, The Academic College of Tel Aviv-Yaffo, for the project: “Patterns of multiple health behavior change: An experimental study of the Health Behavior Taxonomy”
- 2016 Minerva Fellowship, Max-Planck-Gesellschaft, Funded by the German Federal Ministry for Education and Research
- 2014 Travel Award, International Society for Justice Research
- 2012 Scholarship for academic excellence, Faculty of Social Sciences, Tel Aviv University
- 2012 Scholarship for academic excellence, School of Psychological Sciences, Tel Aviv University
- 2009 Scholarship for academic excellence for PhD students, Tel Aviv University
- 2005 Scholarship for academic excellence for graduate students, Tel Aviv University
- 2005 Excellence Scholarship, The Wolf Foundation
- 2003 The Dean's Scholarship for academic excellence, Tel Aviv University
- 2003 Scholarship for academic excellence for undergraduate students, Tel Aviv University
